

Agricola Vallecamonica

Bianco delle Colture

Civitas Camunnorum

Soil and roots "Colture".

Riesling Renano in purity.

In rebus dubis plurimum est audacia.

PRODUCTION AREA: The grapes come from company's vineyards in the plain of "Colture" around 350 meters above sea level in the municipality of Cividate Camuno. In ancient Civitas Camunnorum founded by the Romans in 16 BC, first the cradle of viticulture in the Camun territory.

TIPOLOGY: IGT Valcamonica White

BLEND: 100% Riesling Renano

FORM OF BREEDING AND SOIL: Guyot, 5000 vines per hectare grassy lawn. Draining surface sands alternating deep in silt and clay in equal parts.

ALCOHOL: 12% VOL.

VINIFICATION: The grapes are harvested manually in the month of September to reach the right ripeness, followed by maceration in contact with the skins for about 12 hours. Then after pressing is the cold settling of the must and fermentation in stainless steel tanks with temperatures around 15°. The aging continues in steel with agitation weekly in contact with the "nobles lees" operation called batonage, after the stabilization of the bottle is ready for commercialization. Does not carry out malolactic.

PRODUCTION: Currently about 1500 bottles.

FOOD AND WINE PAIRING: Accompanies delicate dishes when young, aging-in the best vintages can be long, the combination will range from the sophisticated and imaginative.
